

**COST CERTIFICATION  
FOR  
POTABLE WATER AND/OR SANITARY SEWER CONSTRUCTION**

I, \_\_\_\_\_, Owner/Developer or authorized agent of the  
(name of certifier)

Owner/Developer \_\_\_\_\_, of the \_\_\_\_\_  
(name of owner/developer) (name of development)

Do hereby certify that the costs to engineer and construct the potable water and/or sanitary sewer to serve the stated development are as follows:

Potable Water

Engineering Cost \_\_\_\_\_

Construction Cost \_\_\_\_\_

Sanitary Sewer

Engineering Cost \_\_\_\_\_

Construction Cost \_\_\_\_\_

These costs are total in nature and reflect all expenditures necessary to complete water and/or sewer construction. I understand that my completion and transmittal of this certification to Rogers Water Utilities is one of the conditions that must be met before water and sewer service can be established in said development.
