Applies to all site development plans prepared by engineering consultants for private developers. Projects may include large scale developments and commercial / residential subdivisions and does not apply to projects performed under the direction of the City of Rogers, Rogers Water Utilities, or other public works entity. Does not apply to plumbing plans. Informal inquiries requiring clarification of specific items in plan review guidelines (which may be accompanied by plan exhibits for clarification) do not constitute a plan submittal and will not be considered as such.

Schedule of Fees, Costs, and Deposits

Rentals
